Wildkogel Sledding Arena <http://www.wildkogel-arena.at/en/winter/ski-arena-wildkogel/skigebiet.html>

05 Bramberg - Smaragdbahn Wildkogel: 47.270420°, 12.344731°

As probably the most friendly vacation destination there is, Wildkogel Arena has long since had everyone on its side. And boasting the world's longest floodlit toboggan run, the Holiday Arena chalks up yet another record-setting highlight. But before it's time to hit the course, allow the Wildkogel Lifts to treat you and your hot-rod sled to a leisurely ride up into the mountains.

Toboggan Ticket:

Adults and Youths € 9.00 / Children € 4.50

Day ticket Adults and Youths € 25.00 / Children € 12.50

Evening lift rides for sledders are not included in the ski pass .

In addition to our steadfast 6-passenger cabin lift, new as of winter 2010/11 is the "Smaragdbahn Wildkogel", a lift which carries all our sledding fans from the Senningerfeld in Bramberg, which is the finish of the sledding course, up 1300 vertical meters to the start. The course itself is an amazing 14 km in length, with sledders dropping an incredible 1300 m during their ride back to Bramberg. Everything is allowed on the course that is capable of traveling downhill – be that a racing toboggan, a simple sled or a cool-looking bob. The ride takes about 30 to 50 minutes depending on your ability .

Incidentally: The entire length of this toboggan run is **floodlit until 10 p.m.** – adding that extra special something to your night.

IMPORTANT:

Please reserve your sleds well in advance! Toboggans, sleds and bobs can be rented out at sport shops in both Neukirchen and Bramberg..
